Report

- **Tenant Anti-Harassment Ordinance**
 - In late September, Council passed updates on the Tenant Anti-Harassment Ordinance (TAHO). These new updates will provide clearer definitions of harassment, require faster repairs, strengthen privacy protections, and impose stricter penalties on landlords who violate tenant rights.
 - These protections are expected to be enacted by the end of the year.

- **Pico-Robertson Community Cleanup**
 - On Sunday, October 27th, we will gather for a community cleanup.
 - The cleanup is being organized in collaboration with Intiwasi Spanish Immersion School, various synagogues in the community, the Office of Community Beautification, and the Bureau of Sanitation Department.
 - We are estimating that 100 participants will attend.
 - We would like to clean Pico Blvd between Beverly Drive to Crescent Heights.

- **FALL Festival at Robertson Recreation Center**
 - On Wednesday, October 30th, between the hours of 4 and 8 p.m.
 - Activities include arts and crafts, games, a costume parade, live performances, and community stands.
 - The Councilwoman's office funded this event.

- **The 2nd Annual Great Pumpkin Bash at Pan Pacific Park**
 - On Sunday, November 3rd, between 11 a.m. and 3 p.m.
 - Each year, more than 1.3 billion pumpkins end up dumped in landfills across the US. And as they decay, the pumpkins emit methane, one of the most destructive greenhouse gasses.
 - To keep more pumpkins out of landfills, the Councilwoman is organizing The Great Pumpkin Bash at Pan Pacific Park. The event will feature a strike zone hosted by the Los Angeles Dodgers, face painting, bouncy houses, free bike maintenance, and electronic waste collection.
 - Gardening and composting workshops aim at fighting climate change.
