Crestview Neighborhood Association holding Town Hall on January 8th, 2024 at Robertson Rec. Center 19:00**

8. Unfinished Business

- a. Discussion and possible action to help fast track the engineering process for bollards. Update.

Councilwoman Heather Hutt is writing a motion to fast-track permit with Bureau of Engineering to install bollards on the public right of way to protect Houses of Worship and other sensitive religious locations throughout Los Angeles.

9. New Business

- a. Discuss and possible action to review possible vandalism issues in the Hargis Neighborhood Association area.

Community members of Hargis Neighborhood Watch, Lisa Baskin and two others asked for assistance in the rock throwing vandalism and drone flying on the 9000 block of Hargis. LAPD Officers Baker and Ojeda have been to suspected rock throwers location and spoke with residents. Community members stated that they had a meeting with a WLAPD Detective in the morning 12/07/2023 to investigate the rock throwing which may be from a catapult device. Discussion of possible pole camera or cameras on private property to try and catch the suspect(s).

- b. Discussion and possible action to address safety issues in the community from stop signs to crosswalks and any other safety issues. **Continue to next month**

10. Adjournment: 8:16 pm
