Candidate Name: Beth Klein

Board Seat: At-Large Representative 10

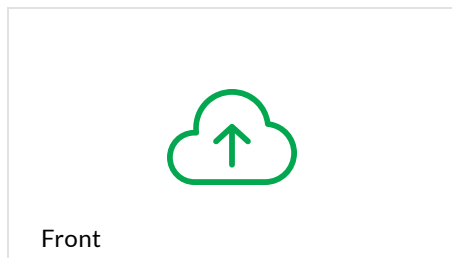

Candidate Statement: As a Los Angeles resident for 37 years I care deeply about the well-being, development, safety, and future of our communities. Over recent years I established a neighborhood watch group for my block, and became actively involved in communication with my neighboring community (by WhatsApp group) through which I have been working to inform neighbors about safety matters and help communicate with the LAPD and Shmira. I have attended several of the recent SORONC public safety meetings, as well as the most recent General Board meeting. My husband and I have also participated in most of the CERT training events that have occurred through our Neighborhood Team Program over the past year. I am running to serve on the neighborhood council because I want to take a more active role in working toward a safer, more prepared, and more connected community.

Legal Affirmation: yes

Los Angeles Department of Transportation  
100 S Main St  
Los Angeles CA 90012

Dear Los Angeles Department of Transportation,

We, the South Robertson Neighborhoods Council, would like to request that this Agency address unsafe parking practices on the south side of 18th street, between Holt and La Cienega.

This portion of the street consistently has oversized vehicles, such as pickup trucks and RVs, parked on it. This makes it difficult and unsafe for cars to pull into and out of the parking area of the adjacent shopping center. These vehicles also make it extremely hard to see pedestrians, decreasing their safety as well.

The SORO NC requests the City paint red curbs 15 ft before all entrances and exits from the shopping center, as well as all street corners.

Additionally, this portion of 18th St already has a 6000 lbs restriction. We kindly request that the City actively enforce this restriction.

Sincerely,

Michael Lynn  
President
