The Honorable Councilwoman Heather Hutt
Council District 10
City of Los Angeles
200 N. Spring St.
Los Angeles, CA 90012

Dear Councilwoman Hutt,

The South Robertson Neighborhoods Council (SORO NC) supports the efforts of the residents to create a Preferred Parking District (PPD) in the Reynier Village area. PPDs have proved very successful in many other crowded areas of Los Angeles, providing residents and guest the ability to park near their homes, rather than blocks away.

This PPD will help alleviate several parking related concerns, including the on-going problem from neighboring auto repair businesses that leave several cars on area streets. It should also help mitigate the impact of several nearby future low-income developments on South Robertson Boulevard that will have little or no parking spaces for their tenants, thus increasing the already overcrowded street parking situation in Reynier Village.

We encourage the CD-10 office to provide continuing assistance for the residents of Reynier Village towards receiving approval for their PPD.

Sincerely,

Michael Lynn
President
South Robertson Neighborhoods Council
