The Honorable Councilwoman Heather Hutt  
Council District 10  
City of Los Angeles  
200 N. Spring St.  
Los Angeles, CA 90012

Dear Councilwoman Hutt:

Several years ago, the South Robertson Neighborhoods Council approved funds to install 30' x 30' "Welcome to SORO" medallions at various entry points to the SORO NC boundaries (Medallion Project), which was placed in a Special Account with matching funding from CD-10 at that time, along with a promise from CD-5 to also contribute matching funds.

The SORO NC subsequently provided the Medallion graphic, and identified installation locations in both CD-10 and CD-5 so that the Installer could provide a bid.

Since then, it has been our understanding that CD-5 would not have any funds available to contribute to the Medallion Project. However, we have expressed that we would still like to proceed even if the funds would only cover those locations in CD-10.

We would greatly appreciate any assistance you could provide in reporting to us the current status of the Medallion Project.

Thank you.

Sincerely,

Michael Lynn  
President  
South Robertson Neighborhoods Council
