11. New Business

- a. Motion to recommend that the SORO NC send a letter to all City Council Members and submit a Community Impact Statement (CIS) to [CF 23-1114](#) (Los Angeles Neighborhood Councils / SB 411 / Teleconferencing / Remote Meetings / Brown Act Modification / California Government Code / COVID-19 Pandemic) with the following text: "The South Robertson Neighborhoods Council (SORO NC) at its January 15, 2026 General Board Meeting, by a vote of _ Yes, _ No, _ Abstain, _ Ineligible, hereby confirms its intent to continue the use of teleconferencing for any of its General Board and Committee meetings pursuant to [Cal. Gov. Code § 54953.8](#), including updates contained in [SB707](#) (effective January 1, 2026), based on the following justifications: 1) Increases public participation; 2) Solves location issues 3) enables board members with minor children to participate in all meetings 4) meeting location limitations 5) room capacity and meeting time limitations. (GB011526-07)

Board members asked clarifying questions and confirmed the motion was largely procedural, updating prior language approved in 2023 under SB 411 to align with SB 707 and preserve the option to use teleconferencing when needed. It was noted that SB 707 includes minor changes, including updated voting thresholds and clearer guidance on when members may participate remotely outside the jurisdiction, and that cameras must be on to vote (with limited exceptions for technical issues). Members discussed developing a standing rule and best practices (including declaring location when participating remotely) and clarified that a quorum must still be physically within the jurisdiction. The Board also discussed the possibility of offering

teleconference access for public participation during in-person meetings, noting potential cost and logistical challenges, and emphasized that the Council must “opt in” and notify the City to continue using teleconferencing after January 1, 2026.
